Dear Parent/ Carer

You may be aware there are some individuals who live in the local area who are known to the police for issues relating to Child Protection. As you will know school is a very secure place and always staffed to the maximum to ensure your children are safe in school. Safeguarding your children is the most important task that the school is charged with. However, we are aware at times of these certain individuals' presence. If on rare occasions they are seen around the streets at school please be aware that we are in constant contact with the police and alert them to their presence.

Should you encounter these known individuals, particularly if they are engaging in any type of crime, then it is your civic duty to report it to the police immediately. This is the most supportive thing to do in terms of school and safeguarding your children.

Thank you for your attention in this matter.

Yours sincerely
