Crossley Hall Fishing Club
Wednesday 27th September 2017
1.30pm -2.45pm

Dear Parent/Carer

At Crossley Hall we pride ourselves on offering our pupils a rich curriculum and a wealth of experiences. With that in mind, we are giving pupils from across school the opportunity to have a half day fishing session at Far View fishing lakes on Lee Lane, Bingley. We will be taking groups of 8 children from your child's class each week with a member of staff to the lake where Mick Bradbury, the manager of Far View, will teach the pupils the necessary knowledge and skills needed to catch a fish and release it safely back into the lake.

We are offering this to all children. All children will attend once, as a different group will be sent each week. This is a project which we have run successfully in the past with over 200 pupils attending. The children will be supervised throughout by a member of Crossley Hall staff as well as experienced staff from Far View. They will travel up to the fishing lake in one of our school buses and return to school at 3:15pm where you will pick them up from school. Fishing equipment will be provided but all children must wear a coat and sensible shoes on the day they attend.

Once permission slips have been received, we will send out a letter informing you of the day your child will go fishing.

Please sign and return the permission slip below.

Yours sincerely,

Mr Thorp
Headteacher
