Reception PE

Today has been your child's first PE lesson. It's been lots of fun! The following are a few tips that would make PE easier for your child and us too, as each reception class has 30 children getting changed all at once is quite a task! We do require the children to dress and undress themselves. Enabling them to do this is brilliant for their self-confidence and makes them feel very grown up indeed! If there is a particular reason that your child will need assistance, please tell the class teacher. You may have already done this!

- Please have a full PE kit in school.
- Please label each item in the bag with your child's name.
- Please label the PE bag clearly with your child's name.
- We ask for all children to wear socks on a Friday please as tights are very difficult to take off and put on independently.
- Encourage and give your child the skill to dress themselves at home on their own.
- Shoes with laces are discouraged as it's so hard for children this age to tie laces. Velcro fastenings are great where possible!

Thank you if you already do these things.

Lastly, your child may come home with their uniform a bit back to front after PE on a Friday – it only means that they're dressing themselves which is brilliant progress!

Many thanks

The Reception Team
